Office of the Ambassador

Mr. Tim Wright
Australian Campaign Director
International Campaign to Abolish Nuclear Weapons
G3/60 Leicester Street
Carlton
VIC 3053

Dear Tim,

The position of Iraq on a nuclear weapons convention

We wish to emphasize that the government of Iraq recognize the legislation and international laws on non-proliferation of weapons of mass destruction, and adhere to the treaty on disarmament and other relevant international.

What attest to the importance of developing an agreement from the possession of nuclear weapons in furtherance of the international disarmament and non-proliferation.

Embassy expresses it's deep gratitude for your efforts in defusing the war and the preservation of international peace and security.

Kind regards,

Mouayed Saleh
